

Step 2: Download Zoom tool

1. Go to website <https://zoom.us/download> to download zoom. Click on "Download" button.

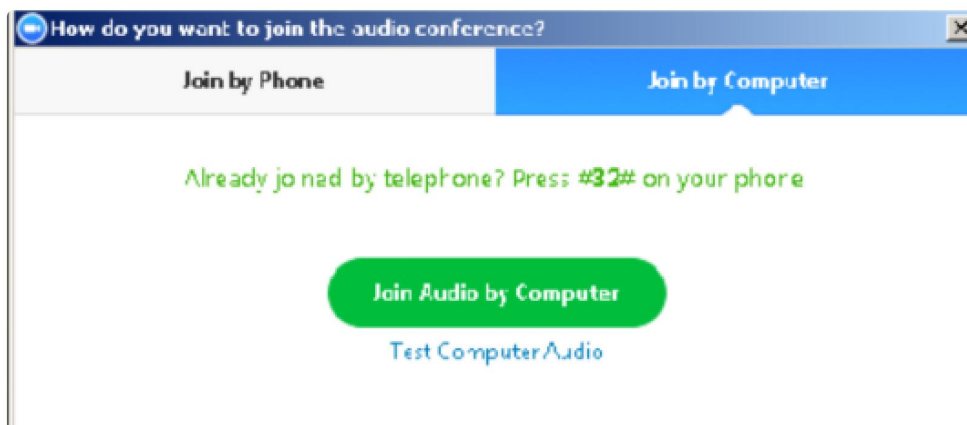

2. "Zoominstaller" file will get downloaded on your system. Click on it. This will start the installation process.
3. Once download is complete, zoom window will appear. It will highlight two options:

- o Join a meeting
- o Sign in

Click on "**Join a meeting**". It will ask for the meeting ID. Enter the meeting ID shared with you on the mail.

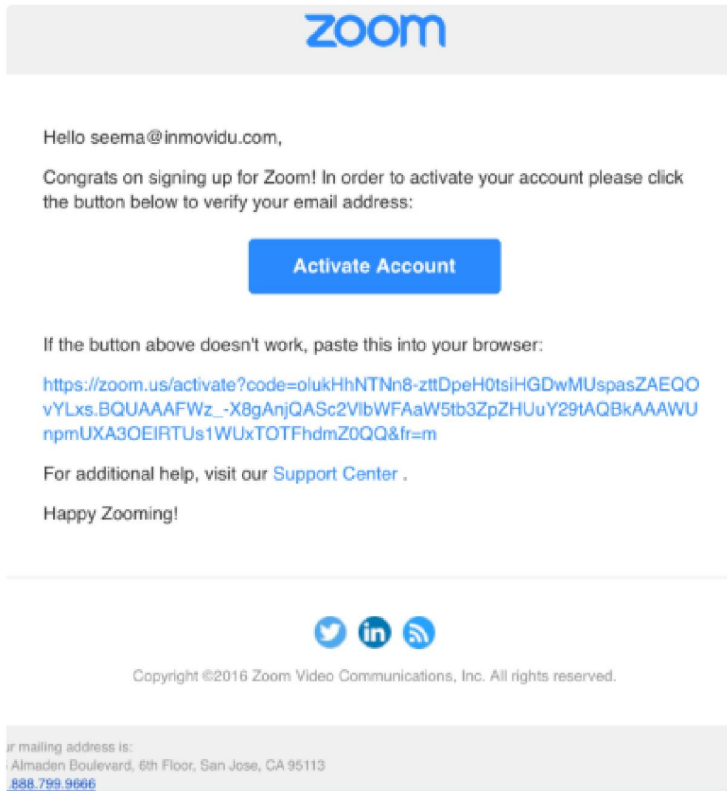

4. You will be asked how you want to join the audio conference. Click "Join Audio by Computer", check the box next to "Automatically join audio by computer when joining a meeting" and Voila! You'll be face to face with your instructor.

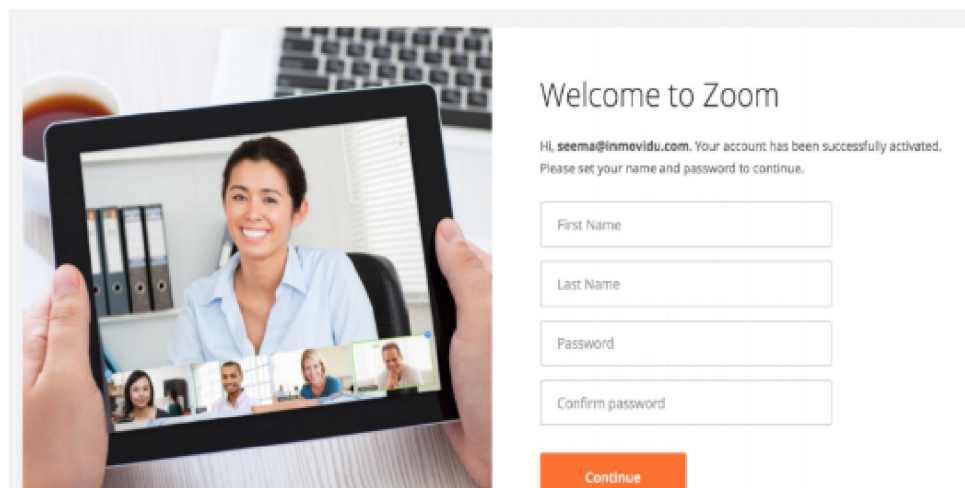

Finally, make sure to check the panel at the bottom of the Zoom window to see if your audio and video are unmuted. It should be identical to the image shown below.

4. You will receive a confirmation email in your inbox. If it isn't there in your inbox, check your spam. Click on "Activate Account" button.

5. Fill out the form
